Dear Mr. Westland:

This office has reviewed your OML complaint requesting that this office require the White Pine Historical Railroad Foundation, Inc. to cease using "Nevada Northern Railway" as the name on its public meeting agenda.

We reviewed each of the historical agendas sent to us, however, this issue is not one for which this office has jurisdiction under the OML. We understand the issue you've presented, but perhaps you should make the suggestion to the Management Board to restore the former name as used on earlier agendas. This could be accomplished in public comment or by formal letter.

We understand that the Management Board and the Foundation jointly own the rolling stock, rights-of-way and the museum, etc. Identification of the two parties for purposes of agenda is a local issue and not one this office will investigate.

We are closing the file on this matter.

Sincerely,

ADAM PAUL LAXALT
Attorney General
