3. Legislative agenda;\*
  - a. Discussion and/or action on additional concepts being considered for adoption as proposed amendments, clarifications to the OML.
    1. Public body agendas must denote action items by placing the term "for possible action" next to the appropriate item.
    2. A public body may not take agenda items out of order unless the agenda states that items may be taken out of order.
    3. A public body may combine two agenda items for consideration.
    4. A public body may "pull" an item or delay discussion on an agenda item at any time.

5. "Time, place or manner" restrictions on public comment must be reasonable and must be clearly stated on the agenda. Public comment can't be restricted based on content.
  - b. Further discussion and/or action on definitions considered for adoption as proposed amendments.
    1. "Deliberation": Currently the OML does not define "deliberation": the Nevada Supreme court supplied a definition in *Dewey v. City of Reno Redevelopment Authority*. "to examine, weigh and reflect upon the reasons for or against the choice ... thus connoting not only collective discussion, but the collective acquisition or the exchange of facts preliminary to the ultimate decision."
    2. "Gathering" of public body members which would be legally sufficient to constitute a meeting.
    3. "Present" in the context of a public meeting for the purpose of conducting public business, whether by electronic means or physically present.
  - c. Discussion/action and continued review of concepts discussed at the November 9, 2010 Task Force meeting.
    1. Clarify and redefine "public body," "committees and subcommittees"; NRS 241.015(3). Report from the Task Force subcommittee created to examine this concept in light of discussion from the November 9, 2010 Task Force meeting and make a recommendation to the Task Force.
    2. Create "civil infraction" for violation of OML, including a fee or fine.
4. Attorney General's administrative agenda;\*
  - a. Review of proposed periodic OML training requirement for members of public body.
  - b. Discussion/action regarding proposal to make all AG OML dispositions available online. (reference: OML minutes of April 29, 2010, p.10).
5. Discussion/suggestions for future agenda items.\*
6. Comments from the public – please limit comments to 5 minutes.
7. Adjourn.\*

\*THE TASK FORCE MAY TAKE ACTION ON THESE AGENDA ITEMS OR INDICATES ITEMS REQUIRING A VOTE/ACTION BY THE COMMITTEE. AGENDA ITEMS MAY BE HEARD OUT OF ORDER AT THE DISCRETION OF THE CHAIR.
