

NOTICE OF INTENT TO ACT UPON A REGULATION

Notice of Hearing for the Amendment of Regulations of the Office of the Attorney General, as proposed in LCB File No. R050-14.

The Office of the Attorney General will hold a public hearing at 10:00 a.m., on the 4th day of March, 2016, at 100 North Carson Street, Carson City, Nevada 89701, in the Mock Courtroom and via video-conferencing to the Grant Sawyer Building, 555 East Washington Avenue, Room 4500, Las Vegas, Nevada 89101. The purpose of the hearing is to receive comments from all interested persons regarding the amendment of regulations that pertain to Chapter 233B of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. The need for and the purpose of the proposed regulation or amendment.

This regulation is needed to update NAC 233B.010 to comply with recent changes to NRS Chapter 233B. Prior to the current amendment, this regulation has not been changed since November 1997.

2. For a temporary regulation, the terms or the substance of the proposed regulation to be adopted, amended or repealed, or a description of the subjects and issues involved.

This is a permanent regulation.

3. For a proposed regulation, a statement explaining how to obtain the approved or revised text of the proposed regulation.

The proposed regulation text may be obtained by going to the Register of Administrative Regulations for 2014 and clicking this link:

<http://www.leg.state.nv.us/Register/2014Register/R050-14P.pdf>.

The proposed regulation text is also available at <http://ag.nv.gov/> or by contacting Sarah Bradley at SBradley@ag.nv.gov or by telephone at 775-684-1213.

4. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately and in each case must include:

- (a) Both adverse and beneficial effects; and**
- (b) Both immediate and long-term effects.**

This regulation amends the required form for state agencies to use when adopting, amending, or repealing regulations. This regulation, therefore, applies only to state agencies and not to any business or the public. Further, this regulation does not add any new requirements, but instead updates the form specified in NAC 233B.010 to comply with the current version of

NRS Chapter 233B. This regulation will involve no economic effect on businesses or the public. This regulation will involve no adverse or beneficial effects on businesses or the public. This regulation will also involve no immediate or long-term effects on businesses or the public.

5. The methods used by the agency in determining the impact on a small business.

The Office of the Attorney General has reviewed the text of the regulation. Because the regulation amends a form that is required to be used only by state agencies, this regulation will have no impact on small businesses.

6. The estimated cost to the agency for enforcement of the proposed regulation.

The Office of the Attorney General does not enforce compliance with this regulation. Instead, this regulation is adopted pursuant to permissive statutory authority given by the Nevada Legislature in NRS 233B.0603(2) which states, "The Attorney General may by regulation prescribe the form of notice to be used." The Attorney General has previously prescribed by regulation the form of notice to be use and this regulation simply updates the requirements contained in that form in order to comport with NRS Chapter 233B.

7. A description of and citation to any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the proposed regulation overlaps or duplicates a federal regulation, the notice must include the name of the regulating federal agency.

This regulation does not overlap or duplicate any regulations of other state or local government agencies. This regulation does not overlap or duplicate any federal regulations.

8. If the regulation is required pursuant to federal law, a citation and description of the federal law.

This regulation is not required pursuant to federal law.

9. If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

This regulation does not include provisions which are more stringent than a federal regulation that regulates the same activity. This regulation deals only with rulemaking requirements for state agencies pursuant to NRS Chapter 233B. This regulation applies only to state agencies, except those exempted by NRS 233B.039.

11. For a temporary regulation, each address at which the text of the regulation may be inspected and copied.

This regulation is not a temporary regulation; it is a permanent regulation.
