(Added to NAC by Com. on Domestic Violence by R161-97, eff. 1-6-98; A by R213-99, 8-1-2000; R001-08, 8-26-2008; R105-10, 12-16-2010)

The Committee is requesting that NAC 228.110 (1)(c)(2) be added to allow for supervisors to become qualified without prior supervisory experience with the requirement under NAC 228 (1)(f) for supervisory training. This would allow more individuals to qualify as supervisors without the supervisory experience as long as they had the training and 5 years experience in direct provision of services.

Additionally changes in this section to training hours are being requested as the Committee felt that many providers and supervisors lacked knowledge in certain subject areas, and felt that a more specific breakdown of hours was more appropriate to ensure adequate training for both supervisors and providers.

Under this same section, the Committee is also requesting a change to NAC 228.110 (11) to allow for all of the in-service training to be completed via distance media as the Committee feels this will assist with access to in-service training in the rural areas.

Chapter 228.115 is hereby amended to read as follows:

NAC 228.115 Duties of supervisors of treatment. (NRS 228.470) The organization that operates a program shall ensure that each supervisor of treatment:

1. Meets individually at least once each month with each provider of treatment he or she supervises;
2. Is available by telephone to consult with each provider of treatment he or she supervises;
3. Reviews, at least once each month, a random sample of at least 10 percent of the records of the offenders who are receiving treatment from each provider of treatment he or she supervises and records on a form approved by the Committee each record he or she reviews;
4. Observes, at least once every 3 months, a group counseling session conducted by each team of two providers of treatment he or she supervises who conduct counseling sessions for the program and records on a form approved by the Committee each group counseling session he or she observes; and
5. Prepares an annual report concerning the performance of each provider of treatment he or she supervises.
6. Observes the group counseling sessions required by section 4 in person if the counseling sessions are being conducted in Boulder City, Carson City, Henderson, Las Vegas, North Las Vegas, Reno or Sparks.
7. Observes the group counseling sessions required by section 4 in person or via live webcam or other electronic means approved by the Committee if the counseling sessions are being

conducted anywhere other than Boulder City, Carson City, Henderson, Las Vegas, North Las Vegas, Reno or Sparks.

(Added to NAC by Com. on Domestic Violence by R213-99, eff. 8-1-2000; A by R001-08, 8-26-2008; R105-10, 12-16-2010)

The changes to this section are being requested as supervisors were using webcams to observe treatment. The Committee would like to formally allow this practice, but only in rural areas where there may not be access to qualified supervisors.

Chapter 228 of NAC is hereby amended by adding thereto a new section to read as follows:

NAC 228.xxx Professional responsibility. The organization that operates a program shall ensure that any provider of treatment or supervisor of treatment employed by the program or retained as an independent contractor by the program:

1. Provides treatment with professional skill and competence;
2. Refrains from engaging in a sexual relationship with any offender receiving treatment with the program or any victim of any offender receiving treatment with the program and for 2 years after the termination of treatment;
3. Refrains from engaging in any dual relationships with any offender receiving treatment with the program or any victim of any offender receiving treatment with the program;
4. Does not practice, condone, facilitate or collaborate with any form of discrimination on the basis of race, color, sex, sexual orientation, age, religion, national origin, social, economic, health or marital status, political belief, diagnosis, mental or physical disability, or any preference or personal characteristic, condition or status; and
5. Does not influence or attempt to influence an offender in any manner which could be reasonably anticipated in his or her deriving benefits of an unprofessional nature from the offender during the time that the offender is receiving treatment from the provider or supervisor of treatment and for 2 years after the termination of those services.

The Committee is requesting an additional section dealing with professional responsibility for providers and supervisors to clearly outline basic professional responsibility standards. It is suggested that this section be added between 228.115 and 228.125.

Chapter 228.130 is hereby amended to read as follows:

NAC 228.130 On-site inspection; annual renewal. (NRS 228.470)

1. The Committee may, each year, conduct an on-site inspection of each program to determine whether the organization that operates the program is in compliance with the provisions of [NAC 228.010](#) to [228.225](#), inclusive. If the Committee finds a violation of [NAC 228.010](#) to [228.225](#), inclusive, during the on-site inspection of the program, the Committee may require the organization that operates the program to complete a plan detailing the action necessary to remedy the violation within 45 days after the date ~~of the inspection~~ the organization is notified of the violation. The Committee will review the plan to determine compliance at the first subsequent meeting of the Committee after the plan is completed and will determine whether to approve the plan.

2. An organization that has obtained a certificate for a program pursuant to [NAC 228.100](#) must renew its certification within 1 year after obtaining the certificate. If the organization was issued a provisional certificate pursuant to [NAC 228.102](#) before it obtained a certificate for a program pursuant to [NAC 228.100](#), the certificate obtained pursuant to [NAC 228.100](#) expires 1 year after the Committee first issued the provisional certificate.

3. An organization that wishes to renew its certification must submit a completed application for renewal to the Committee at least 60 days before the certificate expires.

4. The certificate will be renewed if the Committee determines that:

(a) The application for renewal is complete;

(b) The organization which operates the program has satisfied the requirements of subsection 3 of [NAC 228.100](#);

(c) The program has passed the inspection of the Committee conducted pursuant to subsection 1, if one is conducted; and

(d) The organization which operates the program has submitted:

(1) Proof of completion of the hours of continuing education required by [NAC 228.210](#); and

(2) The annual reports required by [NAC 228.115](#).

5. If a completed application and the documents described in paragraph (d) of subsection 4 are received by the Committee on or before the expiration date of the certificate, the certificate remains in effect after the expiration date of the certificate unless the Committee provides notice to the organization in the manner prescribed by [NAC 228.150](#).

6. If a completed application and the documents described in paragraph (d) of subsection 4 are not received by the Committee on or before the expiration date of the certificate, the certificate becomes delinquent and the Committee will, within 30 days after the certificate becomes delinquent, send a notice to that effect by certified mail, return receipt requested, to the last known address of the organization as indicated in the records of the Committee.

7. If a completed application or a document described in paragraph (d) of subsection 4 is deposited with the United States Postal Service, it shall be deemed received by the Committee on the date indicated on the post office cancellation mark stamped upon the envelope containing the document if:

(a) The envelope is properly addressed to the Committee; and

(b) That date is earlier than the actual receipt of that document.

8. The organization may renew the certificate within 90 days after the certificate becomes delinquent if the organization complies with the requirements set forth in subsection 4.

9. If a certificate is not renewed within 90 days after the certificate becomes delinquent, the certificate expires without further notice or a hearing and the Committee will remove the program from the list of programs that it provides to the courts of this State.

10. If a certificate expires pursuant to subsection 9, the organization which operated the program may reapply for certification of the program pursuant to [NAC 228.100](#).

(Added to NAC by Com. on Domestic Violence by R161-97, eff. 1-6-98; A by R213-99, 8-1-2000; R105-10, 12-16-2010)

The slight modification of this section is needed as it typically takes longer than 45 days for the Committee to notify the agency of violations which then does not give adequate time for the agency to create a detailed plan of action to remedy the violations.

Chapter 228.175 is hereby amended to read as follows:

NAC 228.175 Contents of written agreement between offender and provider of treatment. ([NRS 228.470](#)) An organization that operates a program shall ensure that the agreement an offender is required to comply with pursuant to [NAC 228.170](#) provides:

1. That the offender agrees to:
 - (a) Submit a copy of:
 - (1) The report prepared by a peace officer pursuant to [NRS 171.1227](#);
 - (2) The order of the court requiring the offender to participate in a program;
 - (3) Any report concerning probation prepared by the offender's parole and probation officer; and
 - (4) The results of a psychological evaluation of the offender if such an evaluation has been completed;
 - (b) Be free of all forms of violence, including, without limitation, physical, sexual and psychological violence;
 - (c) Accept responsibility for his or her violent behavior;
 - (d) Refrain from using sexist or racist language in the group counseling sessions;
 - (e) Pay any fee charged by the program pursuant to [NAC 228.106](#);
 - (f) Refrain from using any alcohol or drugs during the period in which the offender is participating in the program if the provider of treatment indicates in the report of the results of the evaluation he or she prepared pursuant to [NAC 228.170](#) that the offender has abused alcohol or drugs;
 - (g) Openly express feelings and emotions in the group counseling sessions;
 - (h) Refrain from discussing the identity of or communications made by another offender in a group counseling session;
 - (i) Refrain from violating an order of a court of competent jurisdiction, including, without limitation, a temporary or extended order for protection against domestic violence, an order prohibiting contact with a person who is a victim of domestic violence by the offender, an order obligating the offender to support his or her family, or a condition of probation;
 - (j) Refrain from communicating with or otherwise contacting or attempting to contact a victim of domestic violence ~~by the offender~~ who resides in a shelter for victims of domestic violence;
 - (k) Refrain from visiting a shelter for victims of domestic violence;

(l) Assist the provider of treatment in developing a written plan of control as described in [NAC 228.170](#); and

(m) Use the plan of control described in [NAC 228.170](#).

2. The number of treatment sessions the offender must attend to complete the treatment ordered by the court and the number of absences from treatment sessions that the offender is allowed, if any.

3. That the program will, pursuant to [NAC 228.195](#), terminate the treatment of the offender if he or she violates any of the provisions of the agreement.

(Added to NAC by Com. on Domestic Violence by R213-99, eff. 8-1-2000)

The slight modification to this section is requested to alleviate a semantic error. As currently written, it would be understood that the offender resides in a shelter, and that is not the intent of the language.

Chapter 228.210 is hereby amended to read as follows:

NAC 228.210 Requirements. ([NRS 228.470](#))

1. An organization that operates a program shall:

(a) Ensure that each supervisor of treatment and each provider of treatment complete annually at least 15 hours of continuing education approved by the Committee, of which:

(1) Not more than 10 hours may be completed via distance media if the supervisor of treatment or provider of treatment provides services to offenders anywhere in this State other than in Boulder City, Carson City, Henderson, Las Vegas, North Las Vegas, Reno or Sparks.

(2) Not more than 7.5 hours may be completed via distance media if the supervisor of treatment or provider of treatment provides services to offenders in Boulder City, Carson City, Henderson, Las Vegas, North Las Vegas, Reno or Sparks.

(3) At least 1 hour of the required continuing education credits of subsection (a) for supervisors of treatment must specifically pertain to supervision and must include education in at least one of the following:

(I) An overview of a supervision model;

(II) Areas of focus for a supervisor and the roles of a supervisor;

(III) The process of supervising and the practical application of that process;

(IV) Ethical dilemmas involved in supervising; or

(V) Methods of effectively addressing and preventing ethical dilemmas in supervising.

(c) Maintain proof of the content and completion of the hours of formal training required pursuant to [NAC 228.110](#) for each supervisor of treatment and each provider of treatment until the supervisor of treatment or provider of treatment is no longer employed, or retained as an independent contractor, by the organization.

2. A provider of treatment or supervisor of treatment may not receive credit for continuing education for completing a course of continuing education if he or she has already completed the course within the immediately preceding 2 years.

(Added to NAC by Com. on Domestic Violence by R213-99, eff. 8-1-2000; A by R105-10, 12-16-2010)

The Committee feels that supervisors need to maintain a certain level of training specifically in supervision so they are requesting a change to require at least one hour of continuing education for supervisors specifically pertain to supervision.
