P.A.C.T. Act Compliance Warning and Registration

The Prevent All Cigarette Trafficking ("PACT") Act, 15 U.S.C. §§ 375, et seq., became effective June 29, 2010. Per the terms of the Act, all persons who sell, transfer, or ship cigarettes for profit must: (1) register with the United States Attorney General and the state tobacco tax administrator where shipments are delivered or products are advertised for sale, and 2) file reports, no later than the 10th of each month, with both the Nevada Department of Taxation and the Nevada Attorney General, fully outlining the quantity, brands, and recipients of cigarette shipments into Nevada. These provisions apply to all tobacco product manufacturers.

Please be advised that both the Nevada Attorney General's Office and Department of Taxation expect monthly PACT Act submissions even if there were zero (0) cigarettes shipped into the State in any given month.

Compliance with the PACT Act is deemed to be a requirement for continued listing on the Nevada Tobacco Directory of compliant tobacco product manufacturers. All tobacco product manufacturers that sell, transfer, or ship cigarettes for profit into the State of Nevada must register under the PACT Act and should submit, via email or mail, monthly PACT Act reports to both the Nevada Department of Taxation and the Nevada Attorney General's Office at the following:
