Nevada Licensed Cigarette Wholesale Dealer:

You are receiving this letter because you currently have a cigarette wholesale dealer's license in the State of Nevada.

Effective May 23, 2019, the law in Nevada regarding the purchase and sale of unstamped cigarettes changed. Under the new law, a Nevada licensed wholesale dealer of cigarettes may purchase unstamped cigarettes from any manufacturer who holds a current license, and may purchase stamped cigarettes from a licensed wholesale dealer of cigarettes. Moving forward, selling unstamped cigarettes to another cigarette wholesale dealer and purchasing unstamped cigarettes from another cigarette wholesale dealer is a violation of Chapter 370 and may result in the suspension or revocation of a wholesale dealer's license and/or the imposition of civil penalties.

Please take the time to review the changes made to NRS 370, accessible at the link below. The above-described change is contained in Section 27(c); however, it is your responsibility to remain in compliance with all Nevada laws.
