P.A.C.T. Act Compliance Warning and Registration

The Prevent All Cigarette Trafficking ("PACT") Act, 15 U.S.C. §§ 375, et seq., became effective June 29, 2010. Per the terms of the Act, all persons who sell, transfer, or ship cigarettes for profit must: (1) register with the United States Attorney General and the state tobacco tax administrator where shipments are delivered or products are advertised for sale, and 2) file reports, no later than the 10th of each month, with both the Nevada Department of Taxation and the Nevada Attorney General, fully outlining the quantity, brands, and recipients of cigarette shipments into Nevada. These provisions apply to all tobacco product manufacturers.

Compliance with the PACT Act is deemed to be a requirement for continued listing on the Directory of compliant tobacco product manufacturers maintained by the Nevada Department of Taxation. All tobacco product manufacturers that sell, transfer, or ship cigarettes for profit into the State of Nevada must register under the PACT Act and submit monthly PACT Act reports to both the Nevada Department of Taxation and the Office of the Nevada Attorney General.

The PACT Act registration form is available from the Federal Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF) at:

<http://www.atf.gov/content/alcohol-and-tobacco>

To register with the State of Nevada, please file a completed copy of this report and the name, address and phone number of a Nevada registered agent.
