i hope this monkey survey thing will let me review and edit what i have entered before i submit it. i'm v slow on coomputer-internetty things. your survey is steeply slanted against elderly senior disabled family members who can't work this internet thang so for every comment i make as a concerned family member of the OFFENDER rather than the VICTIM i'll be outnumbered by those who grew up in the post internet, post-911 era. I cant see what i've typed & don't dare NOT SUBMIT [this page]
