

Attachment Three (3)

Committee on Domestic Violence Agenda
August 22, 2018

Contents: Nevada CARES Flyer

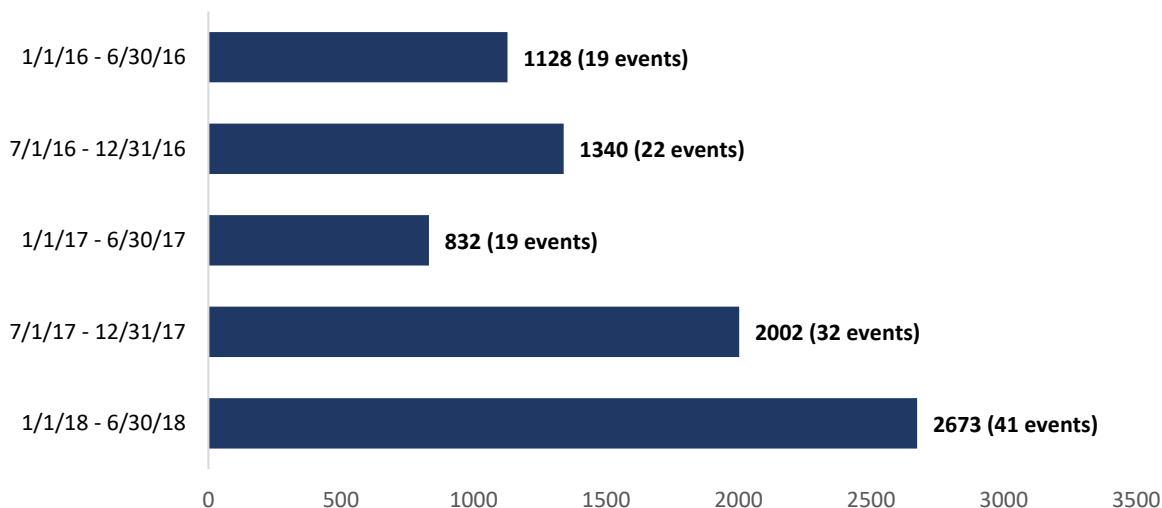

In September 2015, the U.S. Department of Justice's Office on Violence Against Women (OVW) announced 27 awards to colleges and universities, including UNR, to enhance prevention efforts and services for victims of sexual assault, domestic/dating violence, and stalking. UNR was awarded \$300,000 over a three-year period.

PROJECT MISSION STATEMENT

The Coordinated Community Response Team is a coalition of University of Nevada, Reno and community partners committed to strengthening violence prevention and intervention programs for the University community, inclusive of students, faculty, staff, and guests. Our goal is to promote and sustain a campus culture that is free of sexual misconduct and interpersonal violence.

7975 students were reached through **133** prevention and education events

What have we been working on?

- Nevada CARES website
- PACKtivist Peer Training Curriculum
- Green Dot Training for Campus
- Continued Prevention trainings

How can you help?

- Identify training and technical assistance needs for UNR students, faculty, staff, and guests
- Promote events to campus community
- Schedule a workshop for your department
