

# SURG Treatment and Recovery Subcommittee Recommendation Submissions

**May 2023**

<b>Treatment and Recovery Subcommittee Member Name</b>	Lisa Lee
<b>Please describe your recommendation. You will need to submit a new survey response for each subcommittee recommendation you would like to submit.</b>	Prevention and overdose prevention outreach to underserved communities, including BIPOC communities.
<b>Please describe your justification/background information for this recommendation.</b>	A recommendation from this subcommittee was to expand overdose prevention outreach to BIPOC communities. This recommendation is based on racial disproportionality in our state's overdose fatality data.
<b>Please include any associated research or links for your recommendation.</b>	<a href="#">Drug Overdose Deaths of Unintentional/Undetermined Intent in Nevada - Jan to Dec 2021</a>  <a href="#">Notes from the Field: Increase in Drug Overdose Deaths Among Hispanic or Latino Persons - Nevada 2019 - 2020</a>
<b>Please select the AB374 Section 10 Requirement(s) that have been assigned to the Treatment and Recovery Subcommittee that aligns with your recommendation. Please select all that apply.</b>	(c) Assess and evaluate existing pathways to treatment and recovery for persons with substance use disorders, including, without limitation, such persons who are members of special populations.
<b>Please select the AB374 Section 10 Requirement(s) that are cross-cutting elements assigned to all three subcommittees that aligns with your recommendation. Please select all that apply.</b>	(b) Assess evidence-based strategies for preventing substance use and intervening to stop substance use, including, without limitation, the use of heroin, other synthetic and non-synthetic opioids, and stimulants. Such strategies must include, without limitation, strategies to: (1) Help persons at risk of a substance use disorder avoid developing a substance use disorder; (2) Discover potentially problematic substance use in a person and intervene before the person develops a substance use disorder; (3) Treat the medical consequences of a substance use disorder in a person and facilitate the treatment of the substance use disorder to minimize further harm; and (4) Reduce the harm caused by substance use, including, without limitation, by preventing overdoses.

<b>Treatment and Recovery Subcommittee Member Name</b>	Lisa Lee
<b>If your recommendation focuses on a special population, please select all that apply. If your recommendation does not focus on a special population, please select that response.</b>	a. Veterans, elderly persons, and youth c. Pregnant women and the parents of dependent children d. Lesbian, gay, bisexual, transgender and questioning persons e. People who inject drugs; (as revised) g. Other populations disproportionately impacted by substance use disorders
