Re: Executive Order 2019-02

Attorney General Ford:

Pursuant to section 3 of Executive Order 2019-02, this letter and attached documentation serves as the Nevada Gaming Control Board's (Board) report to the Attorney General, as Chair of the Governor's Task Force on Sexual Harassment and Discrimination Law and Policy, relating the collection of sexual harassment and discrimination policies and procedures from licensees of the Board.

On April 1, 2019, the Board sent the attached letter to each licensee via email through the Board's Online Tax Filing System. As of April 30, 2019, the attached report indicates that the Board collected sexual harassment and discrimination policies from 2,089 licensees, while 852 licensees did not respond to the Board's letter relating to Executive Order 2019-02.¹

With nearly 3,000 entities licensed by the Board, the most efficient process by which to collect the required policies was through the Board's Online Tax Filing System. However, certain entities have multiple licenses to operate the same resort. For example, you will note that the Aquarius Casino Resort holds four licenses issued by the Board, but the attached report indicates that the licensee did not submit a policy for its race book and sports pool. The Board believes that the submitted policies for the licensee's other nonrestricted license would also apply to its race and sports pool.

If your office requires any further information from the Board at this time, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "SDM", written over a horizontal line.

Sandra Douglass Morgan
Chairwoman

¹ The Silver Moon Saloon (licensee #04696-05) indicated to the Board, through counsel, that it is not required to implement a formal sexual harassment and discrimination policy as it is not an "employer" as defined in NRS 613.330 or Title VII of the Civil Rights Act of 1964.

Re: Executive Order 2019-02

Dear licensee:

Pursuant to section 1 of [Executive Order 2019-02](#) (EO 2019-02), Governor Sisolak has directed the Nevada Gaming Control Board (Board) to request and collect the sexual harassment and discrimination policies and procedures from each holder of a license issued by the Board.

By submitting its sexual harassment and discrimination policies to the Board pursuant to EO 2019-02, a licensee waives any statutory or regulatory confidentiality provisions that may otherwise apply to these documentary submissions, with the express purpose of ensuring such documents constitute public records under chapter 239 of NRS. However, the Board aims to vigorously protect the confidentiality of any identifiable individual; therefore, the Board requests that the sexual harassment and discrimination policies and procedures submitted to the Board not include the name or any other identifying information of any individual relating to a complaint of sexual harassment or discrimination.

Please use the [Online Tax Filing System](#) to submit your required documentation.

The Nevada Equal Rights Commission can provide on-site training about sexual harassment and discrimination laws, as well as sexual harassment and discrimination prevention. It can also provide informational materials on those topics, including posters and brochures for employers to display in the workplace. For more information, contact one of the Nevada Equal Rights Commission offices at (702) 486-7161 (Las Vegas) or (775) 823-6690 (Northern Nevada).

The Board requests that all sexual harassment and discrimination policies and procedures be submitted by Wednesday, April 24, 2019. If you have any questions relating to the reporting requirements imposed by EO 2019-02, please contact Michael Morton, Sr. Research Specialist, at 775-684-7700 or at ccchair@gcb.nv.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "SDM", written over a white background.
