### **ATTORNEY GENERAL FORD ANNOUNCES SENTENCING OF HEALTHCARE COMPANY AND ITS OWNER**

**Las Vegas, NV** – Today, Nevada Attorney General Aaron D. Ford announced that Las Vegas-based NV Health Solutions, LLC and its owner, Sumit Singla, were sentenced for fraudulently billing Nevada Medicaid for healthcare services that were not provided to recipients. The fraud occurred between July 2022 and December 2022.

District Court Judge Pete Thunell sentenced NV Health Solutions, LLC and Sumit Singla, who were convicted of Submitting False Claims: Medicaid Fraud, a category “D” felony and Intentional Failure to Maintain Adequate Records, a gross misdemeanor, respectively. Singla was sentenced to 364 days in jail, suspended, and placed on probation for one year. As part of the convictions, defendants were ordered to pay restitution of \$150,000 to Medicaid for the fraudulently obtained funds. Individuals or businesses convicted of Medicaid fraud may also be administratively excluded from future Medicaid and Medicare participation.

The investigation began after the Medicaid Fraud Control Unit (MFCU) received a referral that NV Health Solutions, LLC was billing for a significant number of Medicaid recipients utilizing only three healthcare providers, one of whom was not qualified to provide the billed services. The investigation revealed that Singla, as the owner and operator of the

company, submitted claims to Medicaid for services that were never provided. The investigation also showed Singla knew the services were not provided as billed to Medicaid. Interviews with Medicaid recipients and the healthcare providers confirmed that the specific services allegedly provided by NV Health's providers were in fact never provided to the Medicaid recipients.

The MFCU investigates and prosecutes financial fraud by those providing healthcare services or goods to Medicaid patients. The MFCU also investigates and prosecutes instances of elder abuse or neglect. The Nevada MFCU receives 75 percent of its funding from the U.S. Department of Health and Human Services under a grant award. The remaining 25 percent is funded by the State of Nevada, MFCU. Persons convicted of Medicaid fraud may also be administratively excluded from future Medicaid and Medicare participation. Anyone wishing to report suspicions regarding any of these concerns may contact the MFCU at 702-486-3420 or 775-684-1100.

This case was investigated by the Attorney General's Medicaid Fraud Control Unit and was prosecuted by Senior Deputy Attorney General Steve Sidhu.
