Re: Open Meeting Law Complaint / AG File No. 12-013
Comstock Historic District Commission (CHDC)

Dear Mr. Wahrenbrock:

Comstock Mining Inc. has withdrawn its application for a Certificate of Appropriateness (C.A.) for the St. Louis Lode site. Because of a typographical error in the agenda item for this C.A., CHDC agreed to corrective action at its July 9, 2012 meeting. But withdrawal of the application means that the structure will not be moved for the time being nor will any of the other measures asked for in its application be undertaken.

Bert Bedeau notified me this morning that CHDC has elected to cancel the meeting planned for July 9, 2012 because there were no other agenda items pending. As the underlying issue (typographical error) is moot, so too is the necessity for the July 9, 2012 meeting just to consider this one agenda item.

I agreed with Mr. Bedeau that because of the typographical error in CHDC's agenda item for a C.A., the matter may be heard in the future should the mining company submit the application for a C.A. again, but it does not have to be heard on July 9, 2012.
