Questions and Answers**

Question 1. Can AB176 funding be used for space and food?

Answer 1. AB176 funding can be used for space as long as it is for training Sexual Assault Advocates. AB176 funding cannot be used for food.

Question 2. Can AB176 funding be used to bring in trainers?

Answer 2: Yes, AB176 funding can be used to bring in trainers, whether it is for trainers traveling from out-of-state or for trainers traveling within Nevada. Travel expenses are allowable and in accordance with the United States General Services Administration (GSA) rates.

Question 3. I was wondering if a portion of the funds could be directed toward paying for treatment services for participants? Treatment and education services such as parenting skills, mental health and/or substance abuse treatment.

Answer 3: No. These funds are intended for assisting in the recruitment and training of advocates, not direct services.
