

VAWA Application FAQs

1. *What is the sexual assault set aside percentage and what bucket does this come out of?*

The Sexual Assault set aside is 20% of STOP funding and must come out of at least 2 of the different allocation categories.

2. *Who needs to submit liability insurance?*

Non-profits. Government agencies have a different insurance process.

3. *Does funding have to be used to train officers? Can funding be used to directly serve victims?*

Funding can be used to provide direct victim services. Training funds can be used to train officers.

4. *Can you share the funding available for the state or the breakouts per county?*

There is a total of \$1,760,805 in STOP funding and \$810,422 in SASP funding available for award statewide. We do not have set breakdowns for each county.

5. *What is Megan's contact information?*

775-684-1143 or MNelson@ag.nv.gov

6. *Can we use this funding to provide workforce development for victims?*

Yes, workforce development for survivors can be funded as part of broader trauma-informed services.

7. *Can you clarify if we can serve the immigrant victim population with STOP funding if app focus is on State Priorities #3 and #7. Due to the current administration's EO environment, we are prevented from serving this population through other federal/federal pass-through grants; therefore, we have a current gap in services.*

Yes, this is allowable under VAWA.

8. *Can we get a copy of the slide show?*

A copy of the slide show, webinar, and FAQs will be posted on our website.

9. *I have questions with regards to the State funding areas. I know that Victim Witness Services meets Federal areas 5, 11 & 23. But the State priorities, I am unclear. Could you please guide me?*

Identifying federal purpose areas is required, but the State priorities are optional. If your program/project does not fit under a State Priority area you do not need to select one, otherwise use your best discretion.

10. Under Applicant Eligibility, the NOFO states that the 25% match requirement applies to all subgrantees except tribes and victim service providers. However, other portions of the NOFO reference match contributions and documentation, so I wanted to confirm whether nonprofit victim service providers are fully exempt from the 25% match requirement for this funding opportunity?

Yes, non-profit victim service providers are fully exempt from the match requirement.
