5. *Discussion, recommendation, and possible action regarding possible changes to VINE brochure.*
Jennifer stated that it was her understanding that at the hearing for the VINE bill there was concern that the VINE brochure listed the national number for Mothers Against Drunk Driving, but did not list STOP DUI. There was further discussion that the brochure was intended to list national and statewide resources and that regional resources could stamp the brochure to personalize.

There was further discussion that this item would be discussed at the full Governance Committee meeting, but that this subcommittee could make a recommendation.

There was general consensus that Jennifer contact STOP DUI to invite a representative to clarify whether STOP DUI is a statewide resource. If so, there would be no issues with adding the agency to the brochure.

Kareen questioned changing the wording on the bottom of the VINE brochure which states who is providing the VINE service. There was discussion that it could possibly read, “Provided by Nevada Law Enforcement Agencies”. There was general consensus that this may a decision for the Sheriffs’ and Chiefs’ and that Jennifer could ask for feedback at the upcoming meeting.

Additionally, there was discussion that the DV hotline needed to be removed from the brochure as it was no longer working as of April 1st.
Motion: Kareen moved to recommend that the DV hotline be removed from the brochure. 2nd: Susie.
Vote: All in favor. Motion carried.

Additionally, she said that there had been a request to have a web based training available any time, so Jennifer said she would be working with POST to get the online VINE training approved. Jennifer stated that she had also been visiting various jails to review important VINE items with the jails and that those visits were going well. She also stated that she will be attending the Sheriffs’ and Chiefs’ meeting in May in case anyone had issues or questions regarding the interlocal agreements or any VINE issues.

7. *Discussion, recommendation, and possible action regarding VINE public service announcements.
Jennifer said that the Attorney General’s Office had done a press release announcing the availability of the PSA’s and that they were all available on the website. Additionally, she stated that Kareen had worked with Washoe County Sheriff’s Office to get the VINE PSA playing in Washoe County. There was discussion that Maxine would reach out to the radio stations in her area to see about getting those played on local radio. Jennifer said she could reach out to radio stations in Elko and that might be a good starting point.
