The goal of SB 25 is to reorganize all councils and committees pertaining to domestic violence into one cohesive super committee to streamline conversations and initiatives for domestic violence.
 - b) The functions of each committee would be retained and members would be appointed by the Attorney General (the number of members in the super committee would yield at least the number of current CDV members).

- a) Hamilton states that this item has been discussed in the previous item (#5).
 - b) The position of the Committee on Domestic Violence in regards to SB 25:
 - i. Moreen Scully (Scully) states this is wonderful idea to consolidate all these various entities that address domestic violence.
 - ii. Judge Bunch supports this legislation in resolution of approval of CEUs by another entity so there is no delay to approve courses.
 - iii. Hazlett-Stevens comments that it would be helpful to have all resources under the same committee.
 - iv. Hamilton supports the legislation tentatively provided concerns about clerical functions of the committee are resolved (recommendation and approval process).
 - v. Judge Bunch motions for the Committee on Domestic Violence to support legislation SB 25 with the concerns of the committee addressed. Seconded by Scully. No discussion. All in favor. Motion passed.

7. **Update by Dennis Fitzpatrick (Fitzpatrick) on LRS Distance Domestic Violence Program. Attachment 3**
