April Greene presented the CCRT Characteristics and CCR Tool Kit to the Committee. CCRTs would be for coordinating responses to sexual assault and domestic violence victims and discuss expected protocols:

    - Responders need to act as one coherent body. Will allow for more effective services for victims.
    - April Greene's proposed framework is on page 116 of the June 29, 2022 Agenda. Adopt the framework, adopt a vision plan, create a tagline, name recognition and branding is important. Management is key.
    - Track usages and outcomes. Obtain grants for supporting this so we can really see what we are doing.
    - Need to focus on confidentiality and privilege, both are very important.
    - April's proposed framework is three pages long in comparison to the 100+ pages in the CCR Tool Kit.
