2. PUBLIC COMMENT

-None

3. FOR DISCUSSION AND POSSIBLE ACTION

-Meeting minutes from April 29, 2026 were approved by Dr. Pamela Payne and second, Elizabeth Abdul-Raheem.

4. FOR DISCUSSION

-Per Henna, because “and possible action” failed to appear onto the subject line of this topic, Ombudsman, Jamie Trevino will facilitate a vote for Elizabeth Abdul-Raheem to become chairperson in the next meeting.

5. FOR DISCUSSION

-Ombudsman, Jamie Trevino led an open discussion regarding possible training and any sort of marketing solutions. Advocates were asking for tear sheets with the NVSAVE contact information and QR code attached. Ombudsman, Jamie will get the turnaround time, approval from the committee, then expedite the printing for the tear sheets to be given out at upcoming events. An updated public brochure can also be worked on as well. Elizabeth suggested if we look into more marketing swag, we should have post its with the NVSAVE information as headers. Elynne mentioned there should be a law enforcement meeting held every first Tuesday of the month and that could be a great opportunity to get the NVSAVE information out there including business cards with QR codes and tear sheets. When it comes to trainings, there were suggestions of Zoom and in person trainings, adding a “how to register” (advocate specific) on the front page of law enforcement websites, and getting tables at community events.
