Dear Public Records Officers and Colleagues,

The [Public Records Task Force](#), created by Assembly Bill 128 (83rd Session, 2025), is preparing its report and recommendations to the Legislature on the Nevada Public Records Act, NRS Chapter 239. The report is due October 31, 2026.

Among other topics, the Legislature directed the Task Force to evaluate the impact of broad requests on governmental entities, the cost and burden of redacting confidential information, mechanisms for resolving disputes, and methods for collecting data on public records requests. Numerous advocacy organizations, requesters, and government representatives have presented information to the Task Force at recent [public meetings](#). What we have yet to collect is data from government entities that regularly receive and respond to public records requests. This survey will present key information to the Legislature regarding Government Entities' staffing, costs, and operational challenges.

Please complete the survey through this link: <https://forms.cloud.microsoft/> [REDACTED]
The deadline to respond is close of business on **Wednesday, October 7, 2026**.

A few notes:

- Please submit only one response per government entity (e.g., agency, department, division, etc.). For example, instead of one response from a county or city as a whole, each unit that handles its own public records requests should submit a survey (i.e., recorder, district attorney, sheriff's office, city council, city attorney, auditor, etc.).
- If you are not the right person to complete the survey, we kindly ask that you forward this email to the appropriate colleague.
- The survey asks for request volume, staff hours, technology costs, fees, and litigation figures for 2023 through August 31, 2026. It may help to gather those figures before you begin. Good-faith estimates are welcome where precise numbers are not tracked.
- In addition to the survey, please email the following to AGGeneralCounsel@ag.nv.gov, with "PRTF Survey – [Entity Name]" in the subject line:

1. Up to three (3) examples of public records requests your entity considered overbroad or unduly burdensome; and

2. A copy of your entity's fee schedule.

Questions may be directed to me at AGGeneralCounsel@ag.nv.gov.

Thank you for your time and assistance. ***Your participation will make a meaningful difference in the quality of the Task Force's recommendations!***

Kind regards,
Leslie
