**EXECUTIVE DIRECTOR'S REPORT**  
**September 11, 2025**

**Budget Status and Expenditures (FY26-27) ([Budget #1041](#))**

- The budget for the upcoming biennium is flat compared to the current biennium. The Governor's Finance Office did not accept our enhancement request for the prosecutors conference or additional training funds.

**Training Opportunities**

- [Zero Abuse Project's Successful Prosecutions Training](#): 40 people signed up for this training, with approximately 30 attending. This training was held on the Las Vegas campus of the Nevada Legislature. Prosecutors from Clark and White Pine Counties attended. Based on feedback from prosecutors, I am working with Nell Christensen to hold another in-person training from the Zero Abuse Project in 2026.
