2026 POLICIES FOR OUTSIDE AUDIO VISUAL COMPANIES

South Point Convention Production Services manages and oversees all Audio Visual Production Companies providing services within the South Point to insure standards are met. A South Point Technical Supervisor will be assigned to your Production Company for the duration of your show at \$95.00 per hour at the discretion of the South Point Production Services Manager.

The South Point Convention Production Services is the **exclusive provider** for all rigging including supervision, assembly, installation, removal of signs, and trusses supported in any ceiling area to include any Uni-strut. Only ground supported trussing can be rigged/installed by outside Audio Visual companies/providers. A minimum of one high and one ground rigger are required for both load-in and load-out of all equipment that is to be hung in or attached to the ceiling.

Rigging point charges are \$100.00 per point for the run of the Show. A point is defined as each location a cable, strap, chain, or hanger is attached to the ceiling or grid.

Electrical power is an **exclusive service** of the South Point Hotel and Casino provided by Edlen for the Exhibit Hall and Convention Area when exhibit power is required. Table power and stage power requirements in the Convention Area are an **exclusive service** of the South Point Convention Production Services AV department and may require additional Edlen services based on electrical needs.

Please contact South Point Audio Visual Production Service Manager a minimum of forty-five (45) days prior to your Event with the preliminary production schedule and we will work with you to coordinate your needs and prepare an estimate for your review. A final production schedule will be due no later than twenty-one (21) days prior to your first Event date.
