15 **CONSENT JUDGMENT**

16 Plaintiff, STATE OF NEVADA, by and through ADAM PAUL LAXALT, Attorney General,
17 and his Chief Deputy Attorney General, JO ANN GIBBS, and Defendant AMGEN INC.,
18 (“Amgen”), hereby consent to the entry of this Consent Judgment on the terms and conditions as
19 set forth below.

20 **I. FINDINGS**

- 21 A. This Court has jurisdiction over the subject matter of this lawsuit and over the Parties.
- 22 B. The terms of this Judgment shall be governed by the laws of the State of Nevada.
- 23 C. Entry of this Judgment is in the public interest and reflects a negotiated agreement among
24 the Parties.
- 25 D. The Parties have agreed to resolve the issues resulting from the Covered Conduct by
26 entering into this Judgment.¹

27
28 ¹ This agreement is entered into pursuant to and subject to the State Consumer Protection laws cited in footnote 4.

1 E. Amgen is willing to enter into this Judgment regarding the Covered Conduct in order to
2 resolve the Signatory Attorney General's concerns under the State Consumer Protection Laws
3 as to the matters addressed in this Judgment and thereby avoid significant expense,
4 inconvenience, and uncertainty.

5 F. Amgen is entering into this Judgment solely for the purpose of settlement, and nothing
6 contained herein may be taken as or construed to be an admission or concession of any
7 violation of law, rule, or regulation, or of any other matter of fact or law, or of any liability or
8 wrongdoing, all of which Amgen expressly denies. Amgen does not admit any violation of the
9 State Consumer Protection Laws set forth in footnote 4, and does not admit any wrongdoing that
10 was or could have been alleged by any Signatory Attorney General before the date of the
11 Judgment under those laws. No part of this Judgment, including its statements and
12 commitments, shall constitute evidence of any liability, fault, or wrongdoing by Amgen. This
13 document and its contents are not intended for use by any third party for any purpose, including
14 submission to any court for any purpose.

15 G. This Judgment shall not be construed or used as a waiver or limitation of any defense
16 otherwise available to Amgen in any action, or of Amgen's right to defend itself from, or make
17 any arguments in, any private individual, regulatory, governmental, or class claims or suits
18 relating to the subject matter or terms of this Judgment. This Judgment is made without trial or
19 adjudication of any issue of fact or law or finding of liability of any kind. Notwithstanding the
20 foregoing, a State may file an action to enforce the terms of this Judgment.

21 H. It is the intent of the Parties that this Judgment not be admissible in other cases or binding
22 on Amgen in any respect other than in connection with the enforcement of this Judgment.

23 I. No part of this Judgment shall create a private cause of action or confer any right to any
24 third party for violation of any federal or state statute except that a State may file an action to
25 enforce the terms of this Judgment.

26 J. This Judgment (or any portion thereof) shall in no way be construed to prohibit Amgen
27 from making representations with respect to any Amgen Product that are permitted under
28 Federal law or regulations or in Food and Drug Administration ("FDA") approved Labeling for the

1 drug or biologic under the most current draft or final standard promulgated by the FDA or the
2 most current draft or final FDA Guidance for Industry, or permitted or required under any IND,
3 NDA, sNDA, ANDA, BLA, or sBLA approved by the FDA, so long as the representation, taken in
4 its entirety, is not false, misleading, or deceptive. Nothing in this Judgment shall prohibit Amgen
5 from revising its procedures and policies to be consistent with then current Federal law under the
6 Food, Drug and Cosmetic Act, 21 U.S.C. § 301 *et seq.* ("FDCA"), FDCA regulations, FDA
7 Guidances, or other FDA interpretations.

8 K. Nothing in this Judgment shall:

- 9
10 1. require Amgen to take any action that is prohibited by the Food, Drug and
11 Cosmetic Act, 21 U.S.C. § 301 *et seq.* ("FDCA") or any regulation promulgated
12 thereunder, or by the FDA; or
- 13 2. require Amgen to fail to take any action that is required by the FDCA or any
14 regulation promulgated thereunder, or by the FDA. Any written or oral Promotional
15 claim subject to this Judgment which is the same, or materially the same, as the
16 language required or agreed to by the Director of the Office of Prescription Drug
17 Promotion, the Director of the Advertising and Promotional Labeling Branch, the
18 Director of the Center for Drug Evaluation and Research, or the Director of the
19 Center for Biologics Evaluation and Research, or their authorized designees in
20 writing shall not constitute a violation of this Judgment, unless facts are or become
21 known to Amgen that cause the claim to be false, misleading, or deceptive; or
- 22 3. preclude Amgen from providing health care economic information to a formulary
23 committee or similar entity or its members in the course of the committee or entity
24 carrying out its responsibilities for the selection of drugs and biologics for managed
25 care or other similar organizations pursuant to the standards of Section 114 of the
26
27
28

1 Food and Drug Administration Modernization Act of 1997 (FDAMA), as FDAMA
2 may be amended or revised.

1 III. COMPLIANCE PROVISIONS

2 **A. Compendia**

3 The following subsection shall be effective for 5 years from the Effective Date of this Judgment.

4 1. Amgen shall not use a Compendium listing or publication to Promote any Amgen Product
5 for any Off-Label Use to a Health Care Professional.

6 2. Amgen Marketing and Amgen Sales will not initiate any interactions with any
7 Compendium relating to an Amgen Product and shall not determine the content of any materials
8 for submission to a Compendium relating to an Amgen Product. Nothing in this Judgment,
9 however, shall prohibit Amgen Marketing and Amgen Sales from providing input into the
10 decision-making process through the Global Commercial Lead.

11 3. Amgen shall not submit a Special Supplement to a Compendium in support of an Off-
12 Label Use of an Amgen Product.

13 4. If Amgen submits information for a new listing relating to an Amgen Product to a
14 Compendium, Amgen must inform the Compendium of any class effect that Amgen would be
15 required to notify the FDA for inclusion in the Prescribing Information for an Amgen Product in
16 accordance with 21 C.F.R. § 201.57(c)(6)-(7).

17 5. If Amgen requests any third party to provide specific information or comments to a
18 Compendium regarding an Amgen Product, Amgen shall also request such third party to inform
19 the Compendium that it is providing such information or comments at Amgen's request,
20 provided, however, that if Amgen only notifies a third party of an opportunity to provide
21 comments to a Compendium and does not suggest that the third party provide specific
22 information, then the obligations of this section will not apply.

23 **B. Promotional Activities**

24 1. In Promoting an Amgen Product, Amgen shall not make, or cause to be made, any written
25 or oral claim that is false, misleading, or deceptive.

26 2. Amgen shall not represent that any Amgen Product has any sponsorship, approval,
27 characteristics, ingredients, uses, benefits, quantities, or qualities that it does not have.

28

1 The following paragraphs within this Section B shall be effective for 5 years from the Effective
2 Date of this Judgment.

3 3. Amgen shall not make in a Promotional context an express or implied representation, not
4 approved or permitted for use in the labeling or under the FDCA, that an Amgen Product is
5 better, more effective, useful in a broader range of conditions or patients, safer, has fewer, or
6 less incidence of, or less serious side effects or contraindications than has been demonstrated
7 by Competent and Reliable Scientific Evidence, whether or not such express or implied
8 representation is made by comparison with another drug or treatment, and whether or not such a
9 representation or suggestion is made directly or through use of published or unpublished
10 literature, a quotation, or other reference.

11 4. Amgen shall not Promote an Amgen Product by the use of Promotional Materials that:

- 12 a. contain a drug or biologic comparison that expressly or implicitly represents that an
13 Amgen Product is safer or more effective than another drug or biologic in some
14 particular when it has not been demonstrated to be safer or more effective by
15 Competent and Reliable Scientific Evidence;
- 16 b. contain an express or implied representation that an Amgen Product is safer than it
17 has been demonstrated to be by Competent and Reliable Scientific Evidence by
18 selective presentation of information from a published article or other reference that
19 report no side effects or minimal side effects with an Amgen Product or otherwise
20 selecting information from any source in a way that makes an Amgen Product
21 appear to be safer than has been demonstrated;
- 22 c. present information from a study in a way that implies that the study represents
23 larger or more general experience with an Amgen Product than it actually does;
- 24 d. misleadingly present favorable information or conclusion(s) from a study that is
25 inadequate in design, scope, or conduct to furnish significant support for such
26 information or conclusion(s) for information that may be material to an HCP
27 prescribing decision when presenting information about a clinical study regarding
28 an Amgen Product;

- e. misleadingly use the concept of statistical significance to support a claim that has not been demonstrated to have clinical significance or validity or misleadingly fails to reveal the range of variations around the quoted average results; or
- f. use statistical analyses and techniques on a retrospective basis without adequate disclosures of their retrospective nature so as to misleadingly discover and cite findings not soundly supported by the study, or to misleadingly suggest scientific validity and rigor for data from studies the design or protocol of which are not amenable to formal statistical evaluations.

5. Amgen shall not Promote Enbrel by misrepresenting any clinical treatment guideline in a manner that suggests Enbrel is approved for uses not consistent with the FDA-approved Prescribing Information.

C. Reprints

The following subsection shall be effective for 5 years from the Effective Date of this Judgment.

1. Reprints distributed by Amgen regarding an Amgen Product:
 - a. shall be accompanied by the FDA-approved Prescribing Information for the product, or a clearly and conspicuously described hyperlink that will provide the reader with such information;
 - b. shall contain a disclosure that is prominently displayed, which would include the first page or as a cover page where practicable, indicating that the article discusses unapproved new uses; and
 - c. shall not be referred to or used in a Promotional manner.
2. Amgen shall not use in a Promotional manner reprints of any Special Supplement that focuses primarily on an Off-Label Use of Aranesp.

D. Medical Information Responses

The following subsection shall be effective for 5 years from the Effective Date of this Judgment.

1. Amgen, through Amgen Scientifically Trained Personnel, shall have ultimate responsibility for developing and approving all Medical Information Responses regarding an Amgen Product.

1 Additional approvals may be provided by the Amgen Law Department. Amgen shall not
2 distribute any such materials unless:

- 3 a. Clinically Relevant Information is included in these materials to provide scientific
4 balance;
- 5 b. data in these materials are presented in an unbiased, non-Promotional manner;
6 and
- 7 c. these materials are clearly and conspicuously distinguishable from sales aids and
8 other Promotional materials.

9 2. Nothing in this subsection shall prohibit Amgen Scientifically Trained Personnel from
10 disseminating materials that are permitted to be distributed under then current Federal law,
11 federal regulations, or FDA published guidance, whether in draft or final form, unless false,
12 misleading, or deceptive.

13 3. Amgen Sales and Amgen Marketing shall not develop the medical content of Medical
14 Information Responses regarding an Amgen Product.

15 4. Medical Information Responses regarding an Amgen Product may be disseminated only
16 by Amgen Scientifically Trained Personnel to HCPs. Amgen Sales and Amgen Marketing shall
17 not disseminate these materials to HCPs except in circumstances implicating public health and
18 safety issues. In such circumstances, Amgen Sales and Amgen Marketing may disseminate
19 Medical Information Responses directly to HCPs when expressly authorized by leadership from
20 the Amgen compliance, medical, and safety departments with advice and counsel from the
21 Amgen Law Department.

22 IV. PAYMENT

23 No later than 30 days after the Effective Date of this Judgment, Amgen shall pay a total
24 amount of \$71 Million to be divided and paid by Amgen directly to each Signatory Attorney
25 General of the Multistate Working Group in an amount to be designated by and in the sole
26 discretion of the Multistate Executive Committee.⁵ Said payment shall be used by the States as
27 attorneys' fees and other costs of investigation and litigation, or to be placed in, or applied to,

28 _____
⁵ The State of Nevada's share is \$939,912.45

1 consumer protection enforcement funds, including future consumer protection enforcement,
2 consumer education, litigation or local consumer aid fund or revolving fund, used to defray the
3 costs of the inquiry leading hereto, or for any lawful purpose, at the sole discretion of each
4 Signatory Attorney General. The Parties acknowledge that the payment described herein is not
5 a fine, penalty, or payment in lieu thereof.

6 V. RELEASE

7 A. By its execution of this Judgment, the State of Nevada releases and forever discharges
8 Amgen and all of its predecessors, subsidiaries, successors, and assigns, and each and all of
9 their current and former officers, directors, shareholders, employees, agents, contractors, and
10 attorneys (collectively, the "Released Parties") from the following: all civil claims, causes of
11 action, damages, restitution, disgorgement, fines, costs, attorneys' fees, remedies, and/or
12 penalties that the Signatory Attorney General has asserted or could have asserted against the
13 Released Parties under the above-cited consumer protection statutes, or any amendments
14 thereto, or by common law claims concerning unfair, deceptive, or fraudulent trade practices or,
15 if applicable, state statutes equivalent to the federal Food, Drug, and Cosmetic Act that the
16 Signatory Attorney General has the authority to release resulting from the Covered Conduct up
17 to and including the Effective Date that is the subject of the Judgment.

18 B. Notwithstanding any term of this Judgment, specifically reserved and excluded from the
19 release in Paragraph V.A as to any entity or person, including Released Parties, are any and all
20 of the following:

- 21 1. any criminal liability that any person and/or entity, including Released Parties, has
22 or may have to the State of Nevada.
- 23 2. any civil or administrative liability that any person and/or entity, including Released
24 Parties, has or may have to the State of Nevada not expressly covered by the
25 release in Paragraph V.A above, including, but not limited to, any and all of the
26 following claims:
 - 27 a. state or federal antitrust violations;

- b. claims involving "best price," "average wholesale price," "wholesale acquisition cost," or any reporting practices;
 - c. Medicaid claims, including, but not limited to, federal Medicaid drug rebate statute violations, Medicaid fraud or abuse, and/or kickback violations related to any State's Medicaid program;
 - d. state false claims violations; and
 - e. actions of state program payors of the State of Nevada arising from the purchase of an Amgen Product.
3. any liability under the State of Nevada's above-cited consumer protection laws which any person and/or entity, including Released Parties, has or may have to individual consumers.

VI. DISPUTE RESOLUTION

A. For the purposes of resolving disputes with respect to compliance with this Consent Judgment, should any of the Signatory Attorneys General have a reasonable basis to believe that Amgen has violated a provision of this Consent Judgment subsequent to the Effective Date, then such Signatory Attorney General shall notify Amgen in writing of the specific objection, identify with particularity the provisions of this Consent Judgment that the practice appears to violate, and give Amgen 30 days to respond to the notification.

B. Upon receipt of written notice from any of the Signatory Attorneys General, Amgen shall provide a good-faith written response to the Signatory Attorney General notification, containing either a statement explaining why Amgen believes it is in compliance with the Consent Judgment or a detailed explanation of how the alleged violation occurred and statement explaining how and when Amgen intends to remedy the alleged violation.

C. Except as set forth in Sections VI.D and E below, the Signatory Attorney General may not take any action concerning the alleged violation of this Consent Judgment during the 30 day response period. Nothing shall prevent the Signatory Attorney General from agreeing in writing to provide Amgen with additional time beyond the 30 days to respond to the notice.

1 D. Nothing in this Consent Judgment shall be interpreted to limit the State's Civil
2 Investigative Demand (CID) or investigative subpoena authority, to the extent such authority
3 exists under applicable state law, and Amgen reserves all of its rights in responding to a CID or
4 investigative subpoena issued pursuant to such authority.

5 E. The Signatory Attorney General may assert any claim that Amgen has violated this
6 Consent Judgment in a separate civil action to enforce compliance with this Consent Judgment,
7 or may seek any other relief afforded by law for violations of the Consent Judgment, but only
8 after providing Amgen an opportunity to respond to the notification as described above and to
9 remedy the alleged violation within the 30 day response period as described above, or within any
10 other period as agreed to by Amgen and the Signatory Attorney General. However, the
11 Signatory Attorney General may take any action, including, but not limited to legal action to
12 enforce compliance with the Consent Judgment, without delay if the Signatory Attorney General
13 believes that, because of the specific practice, a threat to the health or safety of the public
14 requires immediate action.

15 **VII. GENERAL PROVISIONS**

16 A. Amgen shall not cause or encourage third parties, nor knowingly permit third parties
17 acting on its behalf, to engage in practices from which Amgen is prohibited by this Judgment.

18 B. This Judgment does not constitute an approval by any of the Signatory Attorneys General
19 of Amgen's business practices, and Amgen shall make no representation or claim to the
20 contrary.

21 C. Any failure by any party to this Judgment to insist upon the strict performance by any
22 other party of any of the provisions of this Judgment shall not be deemed a waiver of any of the
23 provisions of this Judgment, and such party, notwithstanding such failure, shall have the right
24 thereafter to insist upon the specific performance of any and all of the provisions of this
25 Judgment.

26 D. This Judgment represents the full and complete terms of the settlement entered into by

2 be introduced for any purpose whatsoever.

3 E This Court retains jurisdiction of this Judgment and the Parties hereto for the purpose of
4 enforcing and modifying this Judgment and for the purpose of granting such additional relief as
5 may be necessary and appropriate.
